Jumping off a building is a hell of a way to find out you can fly. When Alex Manners doesn't hit the ground, he learns he's a superhero. But he's not very good at it. He's being stalked, his memory is full of holes, and someone's been leaving him pictures of a dead friend. The harder he looks, the more he finds that the city's network of superheroes isn't to be trusted.

And that his robot-wielding arch nemesis may be the only friend he has.
