Los caballos del cielo (Spanish Edition)

Marina de Chateaubriand

Los caballos del cielo (Spanish Edition) Marina de Chateaubriand

Asistimos en la India a una boda Sij y en la luna de miel se nos va desvelando este misterioso subcontinente bajo los ojos enamorados. Rezamos junto a los Bahais en su templo, visitamos junto a los parsis las Torres del Silencio, descubrimos Cachemira, viajamos por la India de las aldeas de Gandhi, recorreremos plantaciones de te o traspasamos absurdas fronteras que aun siguen sangrando.

Y de alli nos internamos en la mitica Ruta de la Seda buscando los afamados caballos de Dawan que galopaban como el viento y sudaban sangre, esos caballos que salvaron a China del ataque de los Hunos cambiando su historia y tambien la nuestra. Seguimos las huellas de ese legendario pueblo guia de las caravanas que hizo de bisagra entre Oriente y Occidente, y uniendo pasado y futuro compartimos un proyecto apasionante que une arqueologia y tecnologia. Tras atravesar las mas altas cumbres, las mas profundas depresiones y los mas temidos desiertos, cruzamos la puerta de Jade e imaginamos al antiguo dragon de piedra junto a cuyos muros iban pegadas las caravanas convertirse en un inmenso dragon de acero que serpentea silbando por montanas y desiertos. Y oimos en vez del peculiar tintineo de las campanas de los camellos, el traqueteo del tren sobre los rieles y el zumbido de la locomotora cortando el aire como un cuchillo.

Un sueno de progreso y paz que esta muy proximo a hacerse realidad, tan solo hace falta derribar la ultima frontera, la de nuestra mente."
