My "Missionary Mission turned Military Mission" in Somalia: "Black Hawk Down" (THE UNELECTED PRESIDENT) Mr. Harvey Carroll Jr.

SOMALIA "BLACK HAWK DOWN" My Missionary Mission turned Military Mission (THE UNELECTED PRESIDENT) By Harvey Carroll, Jr. I'm a former U.S. Army Military Policeman/Investigator turned high level political consultant that has dealt with the Panama Invasion "Operation Just Cause", organizing the 1st Gulf War "Operation Desert Storm" and my third International Affairs venture was suggesting the missionary mission into Somalia turned military mission; hence "Black Hawk Down." I now hold a Bachelors of Business Administration Degree specializing in Real Estate and Finance, and three partial Masters in Business, Public Administration as well as Diplomacy and International Commerce... I've been considered the most influential international political figure in Kentucky-US, and some would say that perhaps in the World at one time. I have dealt with Governors, Senators, Presidents and Foreign Heads of State; and in the process I have saved millions of lives, and affected the economic fate of nations... Yet, I have made mistakes, and even cost lives and often ponder if the "End Justified the Means." It has always been quite easy for me to deal with complex U.S. National and International Policy. From a young age I dealt with local, state, national and international policy that includes Latin America i.e. "Panama," Middle East (Iraq, Libya, Syria, Israel, Iran), Africa, and even coming to the AID after the collapse of the Soviet Union to protect U.S. and Global Security by suggesting buying out the nuclear weapons to prevent them from ending up on the Black Market for Terrorism, as well as preventing the former fifteen Soviet States against each other. I also suggested financial bailouts, and another financial AID via the IFC/World Bank for Ukraine that saved seventy-five banks a few years ago (a similar plan presented to the U.S. House and Senate Financial Services Committee "Frank and Dodd" to bailout the American Economy to assist 2/3rds of the American States and Top Banks from Collapse. More recently, I have shared suggestions to have the OSCE get between the separatist and the Ukrainian Army to the Ukrainian Presidents people tasked to negotiate the Minsk Agreements that may have prevented Ukraine from turning into another Syria... In the process I have noticed that Russian President Putin sent Troops "Little Green Men" into Crimea; thereby, leading me to offer up a "Crimean Compromise."
