John Caine is a wolf shifter and a cop. Not just any cop. He gets results. John isn't afraid to get his hands dirty to enforce the law. Of course, it doesn't hurt that he's an alpha. Criminals shake in their boots because of John's very presence.

Tyler Lupin has had a rough past. Given the short end of the stick in life, Tyler finds himself wrapped up with the wrong crowd. In a chance encounter with John, Tyler finds himself strangely drawn to him. Sure, it could just be the omega in Tyler responding to the Alpha in John. The fact that Tyler's in heat couldn't hurt either.

But, as both John and Tyler start to realize, there's danger all around them. There's a gang in town, the Amberfangs, that are stirring the pot in a lethal manner. It isn't safe here anymore. John and Tyler are in a race against the clock to make it out alive--and the odds aren't looking too good. Plus, due to a night of heated passion, they find themselves expecting a little one soon.

Can they make it out before the Amberfangs catch up with them? What does the future hold for John and Tyler?
