The 'Surveillance Operator's Aide Memoire' is a practical manual for the SURVEILLANCE STUDENT, the surveillance instructor, the surveillance manager or anybody needing to refresh their skills.

There is no verbiage, padding or anecdotes - every paragraph counts.

The fundamentals of foot and mobile surveillance are covered along with other topics such as: anti- and counter-surveillance, the surveillance process, cover stories, and third party awareness.

It will help you prepare for any SURVEILLANCE COURSE and help you establish your surveillance operations on a firm foundation for long term success either as an individual or as part of a co-ordinated team.

The aide memoire was written based upon experiences gained in the UK SF and afterwards instructing surveillance to a Gulf State SF unit where surveillance skills were needed to gather intelligence and to survive in a hostile urban environment - failure would not only have been embarrassing and costly but life threatening.
