"This novel is so well written that it transported me to "The Place" and made me wish I was one of the characters and wonder how this world could be if that kind of stuff was possible?" --Claudia "Reading 'The Place' has been a delightful and refreshing experience for me. This book gives a very different perspective on life and the possibilities presented. In a way I have been dreaming of this place, but I had no idea that someone else would have the same vision, so maybe this 'place' actually exists? That would be a dream come true beyond my wildest imagination! A great read that made me desire to read it again and again, and every time I did, there would be more things I would become aware of, that were hiding in the depth of the wonderful language presented in this book." --Suzy
