Cool Kids Speak Italian has been written with primary school aged children in mind by a qualified and experienced language teacher. It may also interest older children as it is filled full of fun worksheets, great wordsearches and lovely colouring pages. The topics covered in this book are Greetings And Introductions, Numbers, Colours, Pets, Drinks and Pizzas. Each topic begins with a page full of images and the Italian words for the topic. Progression throughout each topic has been carefully planned as the activities practise only a few of the new words at any one time, and gradually introduce simple sentence structures. Learning a new foreign language at an early age can be a very enjoyable and useful experience, and this book would be a great way for children of any age to learn Italian.
