## **Dance with Me** Heidi Cullinan

Ed Maurer has bounced back, more or less, from the neck injury that permanently benched his semi-pro football career, but every time he turns around, dance instructor Laurie Parker is in his way. But when a bargain lands him as an assistant in Laurie's ballroom dancing class, everything changes.

As Laurie and Ed lose themselves in dance, their lives continue to spin around them: Ed's injury makes it clear he's nowhere near recovery, Laurie feels the pressure by friends and family to perform once more, and the community center that has become such an important part of both their worlds threatens to close. Alone, they haven't had the strength or spirit to face what life has hurled at them. But as the turns of their personal paths lead them time and again to one another, Ed and Laurie begin to think that if they dance this dance together, they might be able to succeed.
