## **Dark 'N' Stormy (Cocktail Series) (Volume 3)** Angela Stevens

Finn enjoyed playing the field. A different girl in his bed every other night was fun and exciting. But when a one night stand turns into something more, Finn is more than ready to jump on the relationship bandwagon. Julia Royston is everything he desires. Blonde, sexy, naughty in bed, and has a flawless body. But this love thing wasn't as plain sailing as he'd seen advertised. While Finn puts his past behind him, Julia's rears its ugly head, and Finn's carefree life turns dark and stormy. Dark 'N' Stormy is book three in the hot and steamy Cocktail Series. All books are full-length, standalone novels revolving around a collection of gritty characters. The men are hot hockey stick wielding guys and the women...are not what they seem. Weaving contemporary HEA romances around sometimes harrowing tales, Angela Stevens' characters are raw and sensual. They speak as they fuck, hard and sometimes dirty, and they wear their hearts on their sleeves. But when any of the Hockey Punk guys fall for a girl, sparks are guaranteed to fly. The Cocktail Series is best read with a cocktail or two, a bar of your favorite chocolate, and your preferred brand of tissues. Be warned, all the stories in the series are written for an adult audience. Contents contain hot sex and an emotional journey. There are chapters that will make you seethe and those that will make you cry, and others that will make you hot and flustered. But most of all, each story contains a heart felt tale of love, friendship, and a way of beating the odds.
