Audio Available For Download

During the course of five years, J.S. Bach filled two blank notebooks with easy keyboard pieces as a gift to his wife. These vital teaching pieces are now available in this accurately edited edition based on practical teaching experiences. The editorial suggestions emphasize musical ideas that will be successful when played by your students. Along with the famous Minuets, Marches, and Polonaises, this volume includes some less familiar selections from this wealth of easier keyboard literature.
