## **Love & Lies: Marisol's Story** Ellen Wittlinger

Marisol Guzman from *Hard Love* is older and wiser. She has graduated from high school and deferred Stanford for a year so she can pursue her newest dream, writing a novel. She has taken an apartment in Somerville with her best friend Birdie, a waitressing job at the legendary Mug in Cambridge, and signed up for "How To Write Your First Novel" at the adult learning annex.

But on the first day, she isn't sure what is a bigger surprise, that Gio is in her class or that it is being taught by Olivia Frost, the most beautiful, intelligent woman she has ever laid eyes on. Between that; Birdie bringing home his new boyfriend (who is equally afraid of Marisol and the cat) to live with them; and Lee, a high school senior who has fallen head over heels for Marisol, she can hardly keep things straight. Especially once she herself falls into her first real relationship with the twenty-eight year old Olivia.

As Marisol becomes more and more involved with Olivia, she begins to wonder if she is too blinded by love to see the truth.
