## **One** Paul F Gorman

*One*, the new book from Paul F. Gorman, author of the *Miracle Self*, offers a clear spiritual insight and meditation practice that enables the devoted spiritual aspirant to lift into the consciousness of oneness and thereby quickly watch the flow of harmony open up in practical experience.

By today it is well known that in God consciousness—the consciousness of one—healing takes place. But what exactly is the consciousness of one? How exactly is it attained? Can the “average” or even new spiritual student achieve it?

*One* stands apart by lifting the reader away from material consciousness (which is all that distorts the one reality of health, abundance, harmony and peace from being experienced) into the consciousness of oneness where all good is visible, real and practical and where sickness, lack and limitation dissolve.

"The miracle of good is already present and manifested in individual consciousness. Only release it as the oneness it is and you will discover your life filled with every form of real and permanent good."
