Whose side is he on?

Brody Taylor deceives people for a living. After all, humans are the weakest link in all computer systems. If he's hired to break into your network, he will find and exploit the weak point. You.

The problem with always manipulating people is that even those closest to you don't trust you.

And Brody's just fallen for Melanie, a beautiful, zany animal rights activist. But she's in love with the character he's trapped himself in, not the real Brody, social engineer and computer hacker. Can Brody social engineer his way to the truth and save his relationship with Melanie?

A novella that introduces Brody Taylor in a suspense filled standalone adventure. At 60 pages, SOCIAL ENGINEER can be read in under two hours!
