The Secret Room has a wonderful and sinful effect on all that enter.

First to enter were sisters Cindy and Krista, exploring their 'Lesbian Instincts.'

Next, Bill. Now, it's the turn of the Prom Queen to join the party and what an incredible party it promises to be with ropes and ball gags, ice cubes and feathers and, of course, lovely lubed toys.

Let the doors of the Secret Room open just once more and let the most unforgettable after prom party of the year begin...

'... He had been in the room since the beginning and he had seen it all, seen every orgasm she went through. No, not just seen. He felt it. As he sat there, with his gimp mask on, his wrists tied and restrained. He felt every quiver of pleasure that went through Sharon's young innocent body at the hands of the domineering stepsisters. As if he had been the one and not her, and now, he wanted nothing more than...the sweaty, messy and slippery Prom Queen being played with in front of him...'

Come enter the Secret Room and let your wicked inner naughty girl fantasies free to sizzle in the role of the master or the tender ache of a submissive.
