THE HOUSE OF FEMDOM CAN BE A DARK HOUSE

IF YOU DON'T WANT THE FEAR, DON'T GO THERE!

That would be sound advice for the unnamed narrator of this tale. His all consuming need for domination has become too much for his wife and they have agreed that he visit this very secret, very exclusive Mistress in her secluded and very secure House of Femdom. At least, that is how things appear to be . . .

This a story for adults only and contains material of a sexual nature relating to the practices of FEMDOM, including humiliation, pegging, forced bi, whipping and electric shocks.

CAN PARADISE AND HELL BE ONE AND THE SAME PLACE?

WOULD YOU WANT TO LEAVE IF IT WERE?

Jennifer John writes - "This tale begins with an email sent from the House of Femdom. The narrator of our tale is quite a naive and perhaps foolish man and he is punished for his sins and his desire for the ultimate pleasure. But he is also rewarded too, so what is really going on here? I wrote this as a short story, and it still stands as that, but I am definitely tempted to make it into something more substantial. If you have an opinion, let me know what you think on my Amazon Author Central Page."

Will contain British variant spellings and the occasional idiom, but also 'Americanisms' too.
