Whatever the Cost Lynn Kelling

Liam and Jacen are roommates—and elite prostitutes working for a secret organization, The Company. They spend their lives making fantasies come true for spoiled, dangerous clients. In the midst of daily risk of emotional and physical damage, their friendship has been an island of sanity and safety. When The Company orders them to do a job together requiring them to cross the no-sex boundary that has kept them friends, Liam and Jacen must examine how they really feel about each other, and how far they are truly willing to go. Is this the life they want? Used to offering up their bodies without protest to the mercurial whims of others while fiercely guarding their hearts, the true meaning of love and consent is a challenge neither has ever faced before.
