## **7 Money Mantras for a Richer Life: How to Live Well with the Money You Have** Michelle Singletary

The best financial planner Michelle Singletary ever knew was Big Mama, her grandmother. Big Mama raised Michelle and her four brothers and sisters on a salary that never reached more than \$13,000 a year. Yet at her death, Big Mama owned her own home, had paid off a car loan, and had a beautiful collection of Sunday-go-to-meeting church hats and a savings account that supplemented her Social Security check and small pension. Most important, she had taught Michelle “7 Money Mantras for a Richer Life.” Those mantras serve as the inspiration for this straight-talking book of practical personal financial advice that really works.

The 7 Money Mantras are:

1. If it’s on your ass, it’s not an asset!
2. Is this a need or is it a want?
3. Sweat the small stuff.
4. Cash is better than credit.
5. Keep it simple.
6. Priorities lead to prosperity.
7. Enough is enough.

Michelle Singletary is a syndicated columnist for *The Washington Post* whose popular personal finance column appears in more than 120 newspapers. She’s also a mother of three children who understands what it’s like to live on a budget. In a plainspoken, sassy, no-nonsense voice, Michelle provides answers to the financial issues that confront almost every household: how to teach children the value of money; how to address money issues in a relationship or marriage; household saving tips; getting the best loans; and much more.

“This book is about saving enough money to have choices,” she writes. “It’s about feeling free to be cheap if you can’t afford to buy a ton of gifts at Christmas. It’s about eliminating wasteful spend-ing so you can begin to save and invest. It’s full of uncommon commonsense lessons and guidance on the way people should use their money.”

With humor and down-home financial wisdom, Michelle Singletary offers practical and realistic advice that will help you live well with the money you have.

Michelle Singletary on . . .

### Romance and Money

“It’s okay to say: ‘Honey, I love you and everything, but if you need money, ask your mama.’”

### Credit Cards

“We are minimizing our financial potential by making minimum credit-card payments.”

### Car Buying

“If you want to save money, keep your car until you’re on a first-name basis with the local tow-truck drivers.”

### Leasing a Car

“You, too, can drive a car you can’t afford and then have to give it back. It’s crazy.”

### Gift Giving

“Generosity isn’t about how much you spend. It’s about how much thought you put into the gift.”

### Penny Pinching

“I once bought a stick-shift car because it was \$1,000 cheaper than the automatic in the same model. There was just one little problem. I couldn’t drive a stick-shift. But at least I saved \$1,000!”
