When Six friends accept help from a friendly stranger, and his even friendlier family, it leads to one Hell of a dinner invitation they'll never forget - no matter how much they wished they could!

A tasty new horror from the author who brought you "The Cabin" and "Smile" - this book is not for the easily offended nor is it for people who don't appreciate shocks galore. Having previously had positive feedback for his numerous horror and ghost stories - Matt Shaw decided to write "Consumed" for the more gore-hungry horror fans...And he delivers by the bucket load!
