The Seat of Your Soul daily journal is an ideal self-improvement tool that aides you in your daily goals, self-tracking, productivity, happiness, thoughts, wins, and gratitude.

This journal comes with extra-large blank pages that are dated for you to keep a great record of your life - as well as an opening page to write down your name and the year.

Keeping a daily thought diary is an amazing tracking tool that has been shown in many studies to greatly increase appreciation, get more important tasks done, and increase feelings of well-being and connection.

Journals are used by many self-help mentors and high achievers and have really taken off since the likes of Tim Ferriss, Robin Sharma, and many others have raved about their daily journaling practices.

"Writing in a journal reminds you of your goals and of your learning in life. It offers a place where you can hold a deliberate, thoughtful conversation with yourself." - Robin S. Sharma
