The Quest II A recent transplant to Volter, Jemi Hunter has heard much of the mythical home of her shapeshifting carnivore lover Hunter. He regales Jemi with fond tales of his boyhood home, which lead her to believe that when she, Hunter and his son Slayer reach Tern Terra, they will live happily ever after. However, treacherous plans are in place to prevent Hunter from returning to claim his rightful place as future ruler. First Jemi is kidnapped then Slayer disappears. The trail of Jemi's abductors and Slayer's last known destination lead in different directions. Hunter has to decide whom he will attempt to save first, his only surviving cub or the woman he loves. Reader Advisory: Novel contains a non-consensual scene, a ménage, and sex in animal form. Also, while a stand-alone, the novel is best enjoyed if series is read in order.
