What does the ghost at Peterson's farm have in common with Hank and the tooth fairy? What similarities do Claudette, Tiki, Buko and the wanderer share? Where would you find the Pizza Peddler, the Horn Players, Will's Gift and the Locked Box? Discover *Frog's Riddle*, a collection of twelve graphic stories for children ages three to twelve.

Not only do these extend a child's listening skills but they also appeal to the visual culture of children. The process of story-telling becomes exciting as the story-viewer tests predictions about what is developing artistically.
