Tattered Words Amy Shannon

Call it poetry, call it thoughts, but whatever it is, I must put it on paper the minute it crosses my mind or it will be lost forever. I sometimes share these random thoughts that cross my mind, and sometimes, I keep them to myself. However, here I am sharing more. Not a sequel, but more like a continuation of my poetry book "Unbroken Souls". A natural thought process of creativity, imagination, inspiration and emotions. Some emotions that get shared, and some I keep for myself. I do not always have to feel it, I just have to write it. Welcome to my Tattered Words.
