Crabb's English Synonyms, Revised and Enlarged

George Crabb

Crabb's English Synonyms, Revised and Enlarged George Crabb

717 p. ; 22 cm. Different shades of meaning of a single key word are frequently indicated by separate paragraphs following the main applications. Words are arranged according to the extent or universality of their acceptation, placing those first which have the most general sense and application, followed by the rest in order. A noteworthy feature of this edition are copious cross-references throughout the body of the work that closely bind related words together and facilitate the location of a particular word without tedious searching through a cumbersome index.
