Dr. Trisha Norbit is flat on her back in a hospital bed, pinned under a really big New Species male. Though drugged out of his mind, he promises her ecstasy and is determined to deliver-but hospital staff intervenes. 215 is a man Trisha will never forget. But, when she meets him again at Homeland...he doesn't even remember her! The nosy new doctor wants to know all about the breeding habits between humans and Species. Slade proposes a hands-on education but she's not interested in a one-night stand. He can't offer more because he's haunted by the memory of a woman he once tried to claim. He's shocked when he realizes they are one and the same. He's blown it-she'll never give him a chance now. But, when her life is in danger, he's the only one who can save her. As they flee through the wilderness, their desire ignites and cannot be denied. Hot sex, on the run, has consequences that are even more dangerous and will change their lives forever.
