**The Hawaiiana Numismatist's Catalog of Franklin Mint Issues Relating to Hawaii** Darryl A. Gomez Ph.D.

The Franklin Mint issues have been previously integrated into Hawaiiana numismatics. There are a total of 36 medals and 12 ingots cataloged in the book Hawaiian Money Standard Catalog "Second Edition", 1991, by Medcalf & Russell (MR91). In performing the research for this book, I uncovered a total of 73 Franklin Mint medals relating to Hawaii. These additional 37 medals are not generally known by the Hawaiian specialist/collector, are often overlooked and not collected. I've also uncovered a total of 25 Franklin Mint ingots relating to Hawaii. These additional 13 ingots are also not generally known by the Hawaiian specialist/collector, are also overlooked, and not collected. This book fills the knowledge gap about the previously undocumented Franklin Mint issues relating to Hawaii by cataloging these issues. This book also provides additional information helpful to the Hawaiian specialist/collector, such as images, mintages, cross references with MR91, and identification of the Franklin Mint's source set of the medal or ingot of interest.
