The Other Side of the Harbor: The Journey of a First-Year Urban Teacher

Matthew Ohlson

The Other Side of the Harbor: The Journey of a First-Year Urban Teacher Matthew Ohlson

After graduating from college, author Matthew A. Ohlson returns to his hometown to be a fourth-grade teacher. Ignoring offers to work in the private sector or to teach in safer, more prestigious suburban schools, he returns to his old neighborhood to teach in one of Boston's most troubled schools. *The Other Side of the Harbor* follows the obstacles Ohlson and his students encounter, both in and out of the classroom. The twenty-eight students that make up the class of room 213 initially greet Ohlson with a display of bedlam that would send most teachers running in the opposite direction. But this is where he wants to be-and he knows these impressionable young minds need him-so he perseveres. By the end of the year, the kids become as much a part of Ohlson's family as his own flesh and blood. A fictional story based on true events, *The Other Side of the Harbor* showcases Ohlson's passion for education, yet brings to light the harsh realities of the Boston streets. Hilarious, inspiring, and heart-breaking, the stories of *The Other Side of the Harbor* encourage a new appreciation for the educational system and those striving to make it better.

This book can be one of one step for you to get success. This reserve offer you information that probably your friend doesn't realize, by knowing more than different make you to be great men and women. So , why hesitate? Let me have The Other Side of the Harbor: The Journey of a First-Year Urban Teacher.

Albertha Lemons:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says,

many ways to reach Chinese's country. So , this The Other Side of the Harbor: The Journey of a First-Year Urban Teacher can make you feel more interested to read.
