## **Why Can't I Pay Attention?: Kids With Attention Deficit Disorder** Mrs. Lynn S Dickerson

This book was written for children diagnosed with ADD/ADHD know that this diagnoses is not something to be ashamed of, it is just a different way their brains work. I also want to help these children understand there are ways to help them be successful in school and in other activities in which they choose to participate. I also hope this book may help parents and teachers understand what is going through a ADD/ADHD child's mind as they are trying to cope in this world.
