All entries include the meanings, stroke-orders, common compounds, and derivations of the kanji. Sample materials such as forms and public photos illustrate the actual use of kanji, showing the settings where a traveler or resident may come upon the characters. The quizzes and exercises fortify the lessons, making the text ideal for classroom use or self-study. By the end of the book, you will have learned the 250 most important characters in Japanese and thousands of vocabulary words in which they appear.
