Talk about a hot lead...

Christmas is coming to Pine Mountain—and it has a way of stirring up memories, good and bad. Nick Brennan may manage the Double Shot bar smooth as good whiskey, but his past is a hot mess. When he runs into a burning building to save a little boy, some people start thinking there's more to his heroism than holiday spirit. And then the local reporter assigned to the story turns out to be gorgeous Ava Mancuso, the girl who got away.

Ava knows what it's like to have a past. But the changes she's seen in Nick since she knew him do more than set off her natural curiosity—his warm eyes and gruff charm have her instincts fired up. Still, all the chemistry in the world doesn't erase history, even when Nick invites her to his little sister's mistletoe wedding. Does he have a heart under all those secrets? Or is this going to be just another Christmas past?
