Cars from the 50s Postcard Book

Cars from the 50s Postcard Book

This book celebrates the automobile in one of its most glorious decades – the 1950's – when Detroit ruled and environmental concerns were, or so we thought, decades away. For the post-World War II generation the car represented freedom and the cars themselves reflected this. They were majestic, stylish, and unafraid to be bold. The cars of the 1950's were show-offs and in this postcard book we celebrate that fact with 30 vintage images replete with fins, whitewalls, deluxe trim packages and elaborate bumpers.
