Old Angel Midnight

Jack Kerouac

Old Angel Midnight Jack Kerouac

Old Angel Midnight (1959) was one result of Kerouac's automatic writing experiments in which he would spill his chemically inspired thoughts onto paper to see what came out. Though Kerouac was initially denounced by literary critics as an oddball, his spontaneous twistings and turnings of language rate well with those of Joyce and Stein, and time has proven him to be an important and enduringly popular American writer.-*Library Review*
