Secrets of Scene Designers Wu Wenpeng, Liu Maoyong
Secrets of Scene Designers brings together 18 award-winning scene designers to reveal the design philosophies, methods, principles and techniques of master scene designers in the gaming business. This guidebook takes aspiring designers through the basics of scene design, from beginning topics such as color theory and sketch layout, to more complex digital techniques for finishing pieces with incredible depth and substance. Interviews and artist profiles bring extra personality to featured case studies, allowing students of the craft to match a creator s face to the epic images of fantastic landscapes, vast caverns and sprawling urban settings included within. Secrets of Scene Designers provides not just inspiration but real-world guidance for artists and designers looking for an extra boost into commercial concept design.
