Alayah Daniels is a high powered attorney that has dedicated her life to being a satisfied single. After witnessing a string of broken and untrustworthy relationships Alayah is convinced that love is a figment of the imagination for those foolish enough to believe in it. When ditched by her friends at the last minute, Alayah decides to go on a relaxing vacation by herself to the warm sands of Jamaica, where she meets a lonely islander. He gives her an experience of a lifetime. However, when the two lovers are forced to depart she leaves with more than she bargained for.

Soule Samuels has dealt with his share of heartache from the women of his past. He has convinced himself that a life with love in it was not meant to be for him. That is until he spots a sexy siren walking alone on the beach. Unable to fight the urge to have this unattainable beauty Soule becomes determined to capture not only her body but her heart as well, but he soon finds she is not an easy win.
