4. Illustrated

Swann's Way is the first volume of the famous masterpiece *In Search of Lost Time*. Using the involuntary memory technique, Marcel Proust travels back in time to his childhood where the reader meets Charles Swann, a friend of the family. The memories fade and reappear again in Proust's mind this time telling the sad love story between Swann and Odette, an intriguing woman with an unusual style. What more can the narrator remember? In *Swann's Way*, the themes of Proust's masterpiece are introduced, and the narrator's childhood in Paris and Combray is recalled, most memorably in the evocation of the famous maternal good-night kiss. The recollection of the narrator's love for Swann's daughter Gilberte leads to an account of Swann's passion for Odette and the rise of the nouveaux riches Verdurins.
