The People and Process of Film and Video Production: From Low Budget to High Budget Lorene Wales

The People and Process of Film and Video Production discusses the entire production process for film and video projects, including a comprehensive list of jobs for both low and high budget productions. From student projects to major studio features, this text covers all the aspects of the production process from the determining the budget to post-production and personnel. Each chapter examines a specific department on a film or video production and outlines the duties and responsibilities of each member of the crew throughout the production process. The text shows how the people and processes are different depending on the budget level of the project. Students will learn the nuts and bolts of how a film or video is made, from pre-production through delivery.
