Rico and Brioshe both had fantasies they wished to fulfill. They cross paths over the internet and after a few months of inbox to video chat, they agreed to hook up. A weekend filled with steamy sex and no promises of tomorrow, uncrossed those same paths and they went their separate ways. Taj, a restaurant manager, reunites the two in the most peculiar way. She shows them that two may be company, but three is more fun. After the reunion of the two, Brioshe filled Rico in on her sticky past by walking him down memory lane. Collar around his neck, leash in her hand, she leads Rico into a world of pleasure, pain, submission and dominance. He is taught to think outside the box, while she fills hers with whips and chains.
