Have you ever felt condemned by Christianity? Have you ever felt disconnected from Christianity's God? Have you ever felt terrified that a fiery and eternal hell awaits you if you don't "believe the right thing"? If you have ever felt that you have nothing in common with the early Israelites, a tribal people who slaughtered millions of animals in order to "earn" God's forgiveness, this book is for you. If you have ever felt that the Spirit that whispers to your heart is more loving than the spirit that you see portrayed in your church, this book is for you. If you have ever felt that there has to be more to spirituality than saying "the sinner's prayer" and regular church attendance, this book is for you. If you are attracted to the message of Jesus and don't see the loving simplicity of his teaching reflected in the church that you are going to, then perhaps what your church is preaching is not what you are seeking. Perhaps what you are really looking for is an introduction to the God that Jesus knew.

(This book has the same content as "The God Yeshua Knew", but refers to "Jesus" instead of "Yeshua".)
