Bear the Heat (Alpha Werebear Dating Agency Romance) (Mating Call Dating Agency Book 3) Lynn Red

What do you call a six-and-a-half-foot tall, muscled up, bear-shifting fire fighter? What about one with a long record of selflessly saving cubs from burning buildings? How about “yes please!”

Breaker Hart is all those things. He’s every ounce the panty-melting, bad boy, calendar hunk bear you’d think. There’s only one problem: there’s a hole in his soul, and he knows he needs a mate to fill it, but he’ll be damned if he can find the one.

Mink-shifting Lorelei Roberts is a damn good forensic scientist. But in between breaking cases, she’s starting to get... nervous. No matter what she does, her brain’s in a million places at once and her nerves are pretty much a frayed bundle of electrical wires.

One day, while she’s swirling some chemicals in a vial, it hits her square in the face – she needs a man. Or at least a really, really good lay. Damn. It couldn’t be that she needed a new car, or a bigger house – nope, of course not. It had to be the one thing in the world she’s the worst at. Dating.

The second Rory and Breaker lay eyes on each other – assisted by the legendary Eve and Dora of the Mating Call Dating Agency – something clicks. Rory knows she’s finally found someone who likes her for who she really is, and Breaker can’t get her out of his head. But, will an explosive investigation burn them both up before they can ever have a chance to find out what love REALLY is?

The Mating Call Dating Agency is a series of stand-alone stories, each with its own HEA. They can be read in any order!
