Amid widespread violence, social turmoil, and failures in governance, people and nations worldwide have a deep hunger for justice. Can our societies overcome such tragedies and get back on track? If so, how? In this much-anticipated volume in the Biblical Template series, Landa Cope shows that the answer is yes -- and it will require hard work and an unwavering commitment to God's revealed principles.

"This book," she writes, "is the best insight I have to offer after twenty years of study of the subject [of political justice] in Scripture. ... It is an attempt to let God speak for himself again from his source material, believing only a consistent and faithful return to his Word and the help of his Spirit will show any generation the way forward."
