Washed up, small town, TV talk show host, Wally Wannabe, plans to change how our nation elects its president. Forget the entrenched politicians and the half-crazy outsiders. Why not tap into our nation's vast resources and find the best candidate for the job? And why not do so using one of our favorite pastimes—a reality TV show? Gainesville, Florida is the testing ground. Eight contestants face off in a series of speeches, debates, and public appearances. As the field narrows, the town bristles with excitement, and plans to take the competition to the national level quickly fall into place. But the road to the White House is a winding maze. Wally and his co-host, Manny Thymes, battle the likes of The Gang of Eight, the richest men in the world. Ruthless and calculating, with their own political agenda, The Gang stops at nothing to have their way. For Wally, success is not guaranteed, but a single step starts a crusade. As the journey unfolds the question will be: This is no way to elect a president, or is it?
