The Dunderheads

Paul Fleischman

The Dunderheads Paul Fleischman

Dunderheads, unite! A tyrannical teacher gets her just due in a delightfully subversive, outrageously funny tale by Newbery Medal winner Paul Fleischman.

Miss Breakbone hates kids. Especially the time-squandering, mindwandering, doodling, dozing dunderheads in her class. But when she confiscates Junkyard's crucial fi nd, she fi nally goes too far. Enter Wheels (and his souped-up bike with forty-eight extra gears), Pencil (who can draw anything from memory), Spider (look up and you'll fi nd him), and their fellow misfi ts in a spectacular display of teamwork aimed at teaching Miss Breakbone a lesson she won't soon forget. From the incomparable Paul Fleischman comes a winning cast of underdogs — and one of the most terrifying teachers you'll ever meet — brought to vivid life in David Roberts's quirky, hilarious illustrations.

From reader reviews:

Danny Whittemore:

Precisely why? Because this The Dunderheads is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the guide store hurriedly.

David Cain:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your moment to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book compared to can satisfy your short space of time to read it because this all time you only find book that need more time to be examine. The Dunderheads can be your answer because it can be read by a person who have those short extra time problems.

Kyle Guthrie:

Is it you actually who having spare time subsequently spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This The Dunderheads can be the solution, oh how comes? A book you know. You are consequently out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Kay Newberry:

A lot of people said that they feel bored when they reading a guide. They are directly felt that when they get a half parts of the book. You can choose the particular book The Dunderheads to make your current reading is interesting. Your personal skill of reading proficiency is developing when you including reading. Try to choose straightforward book to make you enjoy you just read it and mingle the opinion about book and reading especially. It is to be first opinion for you to like to start a book and go through it. Beside that the book The Dunderheads can to be your new friend when you're truly feel alone and confuse in what must you're doing of this time.
