White Gloves

Martha Dugan Hopkins

White Gloves Martha Dugan Hopkins

My purpose of writing this book was to tell about how different life was when I was growing up in the thirties and forties, compared to today. When I ran out of ideas it became my own autobiography. I know it might be bordering on being egotistical and it may be braggadocios, but it has been and still is a happy and wonderful life for me, and I know how blessed I am.
