An Overview of Gregorian Chant (From Solesmes About the Chant) Monks of Solesmes

The modern liturgical movement owes a great debt to Solesmes monk Dom

Eugène Cardine (1905-1988), whose tireless research in the ancient

manuscripts uncovered the elusive secrets of Gregorian Rhythm, thus

revealing some of the original pristine beauty of Gregorian chant. In this

volume, Dom Cardine sums up the origin, decline and restoration of the

chant, and challenges researchers to continue his work.
