Pagan Holidays (Walk in the Light) Todd D Bennett

This book examines traditional religious holidays in the light of the Scriptural Appointed Times, often erroneously referred to as Jewish Holidays. This book reveals that many popular religious holidays actually derive from Babylonian sun worship. The reader is encouraged to understand and recognize how the Appointed Times are relevant and critical to anyone desirous of entering into a Covenant relationship with the Creator. It also examines the proper calendar in which those Appointed Times occur. This book is a part of the Walk in the Light series and an invaluable companion to The Appointed Times. This book, and the entire series, is intended for those seeking Scriptural truth amidst Christian and Jewish tradition.
