Roulette Megan Mulry

Megan Mulry, *USA Today* bestselling author and recipient of NPR's Best Book of 2012 (*A Royal Pain*), takes readers on a sexy, stylish journey of high-stakes passion in her latest book. *Roulette* was hailed as a Best New Romance Novel by the *Washington Post*.

Miki Durand has always dodged the limelight. As the illegitimate daughter of a French movie star and a Russian billionaire, she craves a normal life—and it's almost within reach. She's up for a tenure-track position and has a perfect-on-paper boyfriend. What more could a woman want?

But when an unforeseen tragedy knocks her off cruise control, Miki finds herself leaving sunny LA for cosmopolitan St. Petersburg. With the fate of her father's international business in her hands, she comes face-to-face with the ultimate temptation: corporate rival Jérôme Michel de Villiers. He's everything she never thought she wanted, and their sizzling attraction soon sparks into an all-consuming flame.

Notoriously risk-averse, Miki knows it would be a gamble to fall for the sexy French playboy. But for the first time in her life, she's ready to take a chance and let the chips fall where they may.

Spent a free a chance to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their own friends. Usually they performing activity like watching television, gonna beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Could possibly be reading a book may be option to fill your free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the publication untitled Roulette can be good book to read. May be it might be best activity to you.

Adele Yeager:

This Roulette is great guide for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with beautiful delivering sentences. Having Roulette in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen second right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?
