*”Blindfolded, I felt the two men running their big hands over my naked body, spreading me open. I knew they would both use me as their tiny little toy - and my flushed flesh cried out for that orgasmic release...”*

Sometimes, my husband likes to come home and find me waiting for him on our bed, handcuffed and blindfolded. He gets to play out his “black burglar” fantasies, and I love feeling helpless as **a big, black stranger has his way with me!**

But when my husband’s brat Devon and his buddy Jamal find me handcuffed to the bed, they decide that they’re going to **cross a taboo, forbidden line** and take me as their own! I’ve never had a threesome, and I know it’s wrong - *but with those two huge black men claiming me, it feels more amazingly right than anything I’ve ever done before...*
