The Mythology of Cyprus Stass Paraskos

Written by the celebrated Cypriot artist Stass Paraskos, the Mythology of Cyprus is an immensely readable and truly entertaining journey through the pagan world of ancient Cyprus, when the island really was the Land of Aphrodite, goddess of love. First published in 1981, the book was a pioneering exploration of the way ancient Greek mythology was understood in a regional location such as Cyprus. As Michael Paraskos explains in his new introduction, the book was written at a time when few academics bothered to pay much attention to Cyprus, and many Cypriots themselves preferred to see their island's history and culture as no more than an extension of Greece or Turkey, rather than a unique phenomenon in its own right. The publication of this book set down a challenge to those narratives, presenting for the first time a uniquely Cypriot view of ancient Greek mythology and folklore, written by a Cypriot. With special excursions into surviving influences of pagan belief and practise in modern Cyprus, and a fictionalised journey around pre-Christian Cyprus in the company of a character named Bronteas, the Mythology of Cyprus is joy to read.

From reader reviews:

Frances Fortier:

Playing with family within a park, coming to see the ocean world or hanging out with pals is thing that usually you have done when you have spare time, subsequently why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Mythology of Cyprus, you can enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Catherine Stoltenberg:

Many people spending their moment by playing outside using friends, fun activity along with family or just watching TV all day every day. You can have new activity to spend your whole day by reading a book. Ugh, think reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, having everywhere you want in your Touch screen phone. Like The Mythology of Cyprus which is keeping the e-book version. So , why not try out this book? Let's notice.

Colton Fierros:

A lot of publication has printed but it is different. You can get it by online on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by searching from it. It is known as of book The Mythology of Cyprus. You can include your knowledge by it. Without leaving the printed book, it might add your knowledge and make a person happier to read. It is most significant that, you must aware about book. It can bring you from one destination for a other place.

Sylvia Grable:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from your book. Book is composed or printed or created from each source that will filled update of news. On this modern era like right now, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just looking for the The Mythology of Cyprus when you desired it?
