When a hunter becomes the hunted, and a witch confronts her nemesis, the stakes couldn't be higher.

The series with over 200 5-Star reviews.

The veil of shadows surrounding Amber's nemesis is lifted when a contact of Collette's comes forward with information he claims is valuable. The catch? He's all the way in Berlin, the German capital, and he isn't leaving his circle of protection for any witch. Amber's decision is easy, but living with it isn't; not when Aaron comes out of left-field with a question she wasn't sure she was ready to hear until she hears it.

In this spine-tingling chapter, Amber must travel to Berlin and learn whatever Collette's contact knows about Linezka. He could be the key to unmasking and defeating her, or at the very least become an ally in the fight, but a mysterious, supernatural break in communications sees her separated from the rest of the coven back home, leaving her and Collette alone to defend against whatever the devil's witch and her minions have in store for them.

Meanwhile, back in sleepy Raven's Glen, an ill wind blows; and Frank, Damien, and Aaron are about to run into trouble of their own...
