[DO NOT ORDER the paperback version just yet! I have listed it live in order to test various features on Amazon. After I am satisfied that only the best of the best of my photos are in the book, I will then relist it and erase this paragraph].

This is a gorgeous, authentic photo book showcasing **underwater modeling and the most beautiful (hidden) spots on lush Cebu Island in the middle of the Philippines**. See stunning international/Filipina freediving models, authentic local beauty pageant contestants, astonishing whale sharks, pristine marine sanctuaries with friendly turtles, gorgeous green waterfalls, trippy caves and lots of other amazing stuff off the beaten track in "real" Cebu. It's to promote Philippine tourism because it really helps the locals.

I share my favorite hidden (yet, accessible) natural gems that other foreign visitors rarely get to see because a lot of that stuff is not currently in any guide books. That's why there are directions on how to get to the lesser-known locations in the pics. **Anybody who plans to take photos in Cebu can save themselves a lot of time by looking at this book to help decide where exactly to have their next mind-blowing photo ops on this island.**
