Lessons from the East: Finding the Future of Western Christianity in the Global Church Bob Roberts Jr.

What if our western view of church isn't God's view of church?

That's the disruptive question church planter Bob Roberts Jr. wrestled with while connecting with top global church planters and pastors. Over time, his global experiences convinced him western believers would benefit from:

- taking our faith beyond Sunday to every dimension of life;
- shifting from a Christian worldview to a Jesus prism; and
- moving from religious leaders to disciple leaders.

Lessons from the East invites you into the larger story God is telling around the world. It just may change your view of church and the global Christian community.
